## General Information and Policies

- A new TAP program will be launched on July 1 for the period of July 1, 2022-June 30, 2023.
- Many resident programs are available in a virtual format. Sites should contact vendors to discuss their capability to do virtual programming.
- 15 business days/3-weeks prior approval by MassHousing/TAP is required for each resident program.
- Due to the high demand of some TAP resident programs, there are selected programs that can be used only once per TAP member site. This will allow for fair use by all the TAP member sites. Those selected programs state in the program description *"This program may be used only once per site."*
- All TAP programs and activities must be accessible to individuals with disabilities with reasonable accommodations being made when necessary. See next page under ACCOMMODATIONS.
- TAP encourages its members to book programs early in the year to ensure the widest choice of programs. Each vendor listed has limited availability.
- When a selected TAP program is not available due to regional limitations, TAP member sites may request to use non-TAP vendors who are local and who offer a similar program. Please contact Denise Green by email, [dgreen@masshousing.com](mailto:dgreen@masshousing.com) OR [TAPresidentprograms@masshousing.com](mailto:TAPresidentprograms@masshousing.com).
- All TAP Resident Program business can be addressed to:

## Procedures for Site Staff

MassHousing requires that TAP Resident Program Requests be submitted 15 business days (3 weeks) prior to the scheduled program.

The Resident Program Request Form is an electronic fillable PDF at [MassHousing.com/TAP](https://MassHousing.com/TAP). It must be completed by site staff and sent to the MassHousing TAP email ([TAPresidentprograms@masshousing.com](mailto:TAPresidentprograms@masshousing.com)).

Staff of TAP member sites are responsible for meeting the approval requirement above, as well as for the administrative details outlined here:

- Select program and schedule a date and time directly with program vendor. The vendor will provide you with a one-time unique code that corresponds with the date and time you have selected. Document that code on the program request form on the line that reads "CODE."
- Complete the remainder of the program request form and email to [TAPresidentprograms@masshousing.com](mailto:TAPresidentprograms@masshousing.com).
- Approval notification will come by email within 5 business days from MassHousing/TAP staff with a copy of the approved request.
- On program day, site staff will prepare space at the site as needed for the specific program, welcome and review logistics with program vendor.
- Program vendor will bring MassHousing/TAP forms to be processed that day:

**Program Evaluations** - Residents and/or site staff fill out individual evaluation forms. All evaluations are electronic through SurveyMonkey.

**Program Attendance and Completion Form** - Residents and site staff fill out the attendance form and both site staff and vendor fill out and sign.

Program vendor will submit attendance and completion form along with vendor's invoice to Denise Green at MassHousing/TAP, (One Beacon Street, Boston, MA 02108-3110) or [TAPresidentprograms@masshousing.com](mailto:TAPresidentprograms@masshousing.com)

## Cancellation Policies

- Cancellation of a program by site staff must be at least three (3) days in advance. Otherwise, the program vendor will be paid for one visit and the site will be recorded as having used a single program.
- If a program series is cancelled due to poor attendance, the vendor will be paid for two visits and the site will be recorded as having used a series program. Note: When programs held as series have less than 10 participants after the second session, program vendor must seek MassHousing/TAP approval to continue the series.
- In the event of cancellation due to bad weather i.e. rain, snow, etc., site staff and vendor will agree on new date and provide [TAPresidentprograms@masshousing.com](mailto:TAPresidentprograms@masshousing.com) with necessary information.

**Kathaka: Dancing Rhythm and Stories of India**

The ancient art of Kathak is one of the eight forms of classical Indian dance. Its name comes from the Sanskrit word for "story." Kathak dancers use swift and precise footwork and graceful gestures to tell traditional Indian stories. Through movement, music and math, Kathakas perform "Kathak Yoga" – a technique which unifies the recitation of taal (rhythm), the singing of a melody and the dancing of complex footwork and rapid spins. Participants will learn to count out complex poly-rhythms to help the dancer keep time and a few volunteers may learn some basic Indian dance steps.
